WORKING ENVIRONMENT**Code of Conduct**

All employees must abide by the Organisational Code of Conduct.

Occupational Health and Safety:

As an employee, you must be aware of and comply with requirements of the relevant Workplace Health and Safety legislation and associated regulations. This includes taking responsibility for your own health and safety and that of others in the workplace and complying with the Organisations occupational health and safety policies and procedures.

Performance Review:

A Performance Review will be conducted using the Organisations Performance Management Process.

POSITION SUMMARY

An employee at this level at this level provides direct care assistance for participants of the Organisation.

As an Support Worker, you will be responsible for working with Support Workers and children to support the development of a program of activities and experiences that support children's learning at the service. You will have knowledge and experience about how children learn, how disability influences learning and about quality practice. You will be working with up to 100 children with appropriate staff to student ratios (around one staff member for every three children).

POSITION OBJECTIVES

To assist with the management of the effective and efficient operation of the Outside School Hours Care Service placed in accordance with the policies, directions and delegations of the Service Management. This is undertaken under the supervision of the Project Manager.

LEVEL OF RESPONSIBILITY

This position is directly responsible to their immediate supervisor for all aspects of service delivery and organisational management whilst at work. The performance of this position is subject to general direction by the immediate supervisor of the relevant program in which the employee is working. The employee is required to undertake a range of activities requiring the exercising of initiative in the application of established work procedures and may require the employee to establish goals/objectives and outcomes for their own particular work program or project.

SUPERVISION

An employee at this level works under general direction, operates within established routines, methods, standards and procedures and is expected to exercise initiative in the application of established work procedures and is responsible for managing time, planning and organising their own work.

An employee at this level may be required to supervise lower classified employees or volunteers in their day-to-day work.

KEY TASKS AND DUTIES *(including Key Performance Indicators)*

- Assist in the planning, implementation, assessment and review of a high-quality and diverse educational program based on appropriate frameworks and with reference to the NQS, considering the developmental needs, interests and abilities of all the children attending the service.
- Actively support every child to participate in the program and assist in ensuring that the program promotes children's agency, choices and influence.
- Record observations and write learning stories as part of the Framework for School Aged Care and National Quality Standards/Framework requirements
- Assist in the documentation of children's learning in accordance with the service philosophy and the learning outcomes (My Time Our Place Framework), including updating children's portfolios
- Utilise a variety of pedagogical strategies, including intentional teaching and reflective practice in daily work.
- Organise and maintain program materials and resources and use program resources effectively
- Ensure staff and children utilise effective health and hygiene practices, including meeting all regulations relating to food safety and preparation, medical management plans, behaviour management plans and risk management plans, policies and procedures.
- Assist in provision of medication, mealtime and toileting assistance, as required
- Ensure that all children have access to nutritious food and fresh drinking water.
- Assist in the promotion of health, wellbeing and physical exercise in the service.
- Ensure a safe and stimulating physical environment where all staff and children are protected from hazards or harm.
- Actively supervise children at all times.
- Work cooperatively, ethically and respectfully with other Support Workers, and support their professional development.
- Develop and maintain respectful, supportive, collaborative and responsive relationships with children and their families.
- Assist with the supervision of workplace students and volunteers.
- Assist with an effective induction and orientation process for new families, children and staff, including workplace students and volunteers.
- Attend and actively participate in all team meetings and planning sessions
- Ensure all practices are in accordance with the NQS and reflect the QIP.
- Contribute to the development, review and implementation of the QIP.

- Attend professional development opportunities as appropriate or as directed by the Nominated Supervisor/coordinator/management.
- Contribute to the continuous improvement of the service through reflective practice and as directed by the coordinator/management and Nominated Supervisor.
- Assist in the completion of any collection of data, medical or other records required in a timely manner, and in accordance with the service's policies and procedures and the NQS.
